

# The Honors Project

## Welcome to the Honors Project App, your one-stop shop for all things about the BGSU Honors Project!

Here, you will find a guide on how to complete the project from start to finish! The Honors Project App aims to provide a collection of descriptions, resources, and tips to use along your journey in conducting your project. Customizable and personalized with a built-in timeline to track your progress, this app will allow honors students to feel more confident in their Honors Project! With features like the Student Q+A, the Honors College hopes to foster a sense of community within the Honors Project and throughout the Honors College. With options to view past Honors Projects, users can utilize past work for inspiration and brainstorming! If users are confused on where to start, they can check out the Honors Project Resources that lays out other useful information regarding brainstorming, execution, and more! Additionally, information about Honors Scholarships can be found to help aid in funding research or travel during this process! The Honors Project app's primary goal is to help you in your unique journey through this incredible opportunity!
